but the workers are few. Ask the Lord of  
the harvest, therefore, to send out workers

## The Harvest Is Plentiful Kids Lesson - Luke 10:1-2

Jesus sent 72 people out to tell others about God's kingdom. We don't even know their names, but Jesus did—and He told them their names were written in Heaven!

Jesus said, "The harvest is plentiful, but the workers are few." He wasn't talking about picking pumpkins or gathering wheat. He was talking about people who need to know the Good News of God's love.

We can be His workers too! We can tell others about Jesus, invite a friend to church, share a Bible verse, or give someone a John 3:16 bookmark. We might not get noticed for the things we do for God, but the Lord of the Harvest knows our names and the work that we do.

***So let's go! The harvest is plentiful!***
